RE: Reissuance of VPDES Permit No. VA0077259  
Three Creek Wastewater Treatment Facility  
428 Moonlight Road, Emporia VA, 23847

Dear Mr. Warf:

Your VPDES permit is enclosed (paper copy of permit cover page via certified mail, permit and fact sheet via DEQ FTP File Share). As indicated in the fact sheet, the permit has changed; please read the permit carefully because you are responsible for meeting all permit conditions. A hard copy Discharge Monitoring Report (DMR) is not enclosed; however, an electronic DMR is available through e-DMR. The first DMR required by this permit for the October 1 through October 31, 2012 monthly monitoring period and the first January 1 through June 30, 2013 semi-annual period is due (via eDMR) on November 10, 2012 and July 10, 2013, respectively. If you still have DMR data to report as required by the previous permit please submit it as an attachment to the first DMR required by this permit. Monitoring results on the DMRs should be reported to the same significant digits as are included in the permit for each parameter.

As provided by Rule 2A:2 of the Supreme Court of Virginia, you have thirty days from the date of service (the date you actually received this decision or the date it was mailed to you, whichever occurred first) within which to appeal this decision by filing a notice of appeal in accordance with the Rules of the Supreme Court of Virginia with the Director, Virginia Department of Environmental Quality. In the event that this decision is served on you by mail, three days are added to that period.

Alternatively, any owner under §§ 62.1-44.16, 62.1-44.17, and 62.1-44.19 of the State Water Control Law aggrieved by any action of the State Water Control Board taken without a formal hearing, or by inaction of the Board, may demand in writing a formal hearing of such owner's grievance, provided a petition requesting such hearing is filed with the Board. Said petition must meet the requirements set forth in 9 VAC 25-230-130.B (Procedural Rule No. 1 – Petition for formal hearing). In cases involving actions of the Board, such petition must be filed within thirty days after notice of such action is mailed to such owner by certified mail.

If you have any questions about the permit, please contact Tamira Cohen at (804) 527-5012 or [tamira.cohen@deq.virginia.gov](mailto:tamira.cohen@deq.virginia.gov).

Sincerely,

Curtis J. Linderman, P.E.  
Water Permit Manager
